## **SB 286 - HB 1164**

February 23, 2001

**SUMMARY OF BILL:** Designates days of statewide election as holidays for all state public offices.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures - Exceeds \$1,000,000 - Every Two Years**

Estimate assumes:

- Employees receive holidays for the primary and general elections.
- Departments such as Corrections, Safety, Mental Health and some others would remain operational. Overtime would be paid for any state employee required to work on these days.
- Sick leave and annual leave accounts not used, which would have been used in the absence of this bill.
- Employees that would have been absent from work and would have been without pay due to zero annual and sick leave balances, instead receive pay for this holiday, the same as they receive pay on other holidays.
